**Subject:** The Parrot!

---  
A woman went to a pet shop & immediately  
spotted a large, beautiful parrot..

There was a sign on the cage that said \$50.00.

"Why so little," she asked the pet store owner.

The owner looked at her and said,

"Look, I should tell you first that this bird used to live in a house of Prostitution  
and sometimes it says some pretty vulgar stuff."

The woman thought about this, but decided  
she had to have the bird any way.

She took it home and hung the bird's cage up  
in her living room and waited for it to say something.

The bird looked around the room, then at her, and said,

"New house, new madam."  
The woman was a bit shocked at the implication,  
but then thought "that's really not so bad."

When her 2 teenage daughters returned from school  
the bird saw and said,

"New house, new madam, new girls."

The girls and the woman were a bit offended  
but then began to laugh about the situation  
considering how and where the parrot had been raised.

Moments later, the woman's husband Keith  
came home from work.

The bird looked at him and said,

"Hi, Keith!"

**A blue whale produces over 400 gallons of sperm when it ejaculates;  
\* but only 10% of that actually makes it into his mate.  
\* So 360 gallons are spilled into the ocean every time one unloads.**

**You wonder why the ocean is so salty....  
Don't swallow the water!!!**
